

BELLSOUTH ECONOMIC DEVELOPMENT INCENTIVE PACKAGE

BellSouth offers discounts, credits and waivers on communication services and products because they realize that businesses have many options about where to locate. BellSouth wants to make it advantageous and easy for you to do business in Alabama.

Approved by the Alabama Public Service Commission and supported by public and private economic developers, BellSouth's tariffed incentive package encourages new businesses to locate in our state. It also encourages businesses to expand into our rural areas. The incentives complement the Alabama Enterprise Zone Act of 1987 and the State Incentive Plan of 1997 (Capital Credit Act).

USE OF FUNDS

- Service deposits.
- Local monthly charges.
- Applicable connection/installation service charges.

LIMITS

- 100 percent waiver or credit of normal service deposits for telephone service if your business has a satisfactory credit rating.
- 50 percent discount on all monthly charges for 12 months, upon being certified.
- 100 percent waiver or credit of all service connection/installation charges for applicable services.

ELIGIBILITY

- Any company which qualifies under either of the:
 - ◊ Capital Investment Tax Credit Program (Alabama Incentives 2.1.4.01).
 - ◊ Alabama Enterprise Zone Program (Alabama Incentives 2.1.4.03).

INELIGIBLE USES

- Contract service arrangements.
- Inside wiring.
- Special assemblies.
- Local usage charges.
- Long distance services.

GENERAL

- Upon applying for service, a business must advise BellSouth of its intent to receive the benefits offered in the tariff.
